

Corrigendum 1

February 27, 2025

Corrigendum to RFP/SSL/ITSER/2024-25/003 - Extension of Submission Deadline for "RFP for Functional Testing and System Performance with Load Testing of Mobile Application"

This is to inform all concerned that we have received requests from bidders to extend the submission deadline.

Therefore, it is hereby approved to extend the last date for submission until **3rd March 2025**, on or before **12:30 P.M.**

All other terms and conditions of the RFP remain unchanged. For any assistance, drop a mail at: LOAD_RFP@Stockholdingservices.com
